

August Block of the Month: What's Black and White and Red All Over?

A newspaper? A sunburned zebra? An embarrassed penguin? A Dalmatian that ate a lipstick? Well, yes--but no. It's the August Block of the Month!

This month's block must include black, white, and red fabrics, solids or patterns, but no other colors are allowed. Your block must be pieced, and it should finish at $12\frac{1}{2}$ " square. The complexity of the piecing is up to you: a four-patch is as good as a Carpenter's Wheel. Enter as many blocks as you wish, but please make each one different.
