

Coastal Quilters Guild P.O. Box 6341, Santa Barbara, CA 93160

Jan. 13, 1993

Welcome to Coastal Quilters Guild!!!

There were many new members in 1992. The Coastal Quilters first started meeting in 1986 and officially became a guild in January of 1988.

As a member of the Guild, you can enjoy monthly programs of slide shows, guest speakers, occasional workshops and a newsletter. Your membership card also entitles you to a 10% discount at many fabric stores in town.

Besides a program, every meeting also has more fun features:

*Our Show and Tell gives us a chance to share our own accomplishments and to see what others have done.

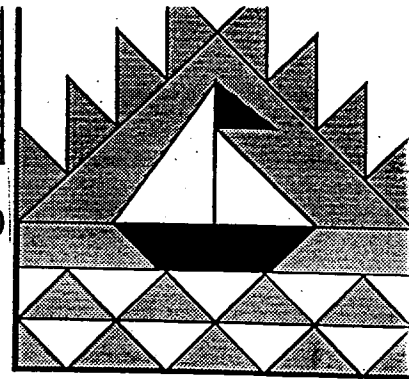

*We have a drawing for door prizes of quilt-related items such as books, patterns, and supplies.

*At each meeting a pattern for Block of the Month is handed out. Those who want to participate make blocks and bring them to the next meeting. The participant can put her name in the basket for each block she completes. The lucky person whose name is drawn wins all the blocks.

*Within the Guild are smaller satellite groups of about 12 members each. Every month, one member of the group selects a pattern and the others make that block for her. By the end of the year, all 12 members have a dozen blocks for a new quilt.

There are opportunities to help various charity groups, and special projects as well.

If you have any questions about anything please feel free to call any of the officers or committee chairpersons. We are happy to have you with us and look forward to sharing these times with you.

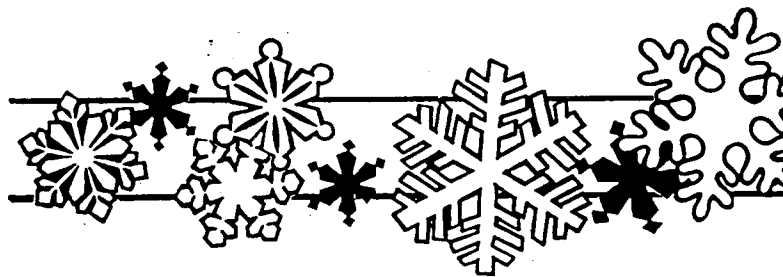

TONIGHT!

January -- Nine Patch & Hearts

with thanks to Colby Kline (and Judy Gorrindo)

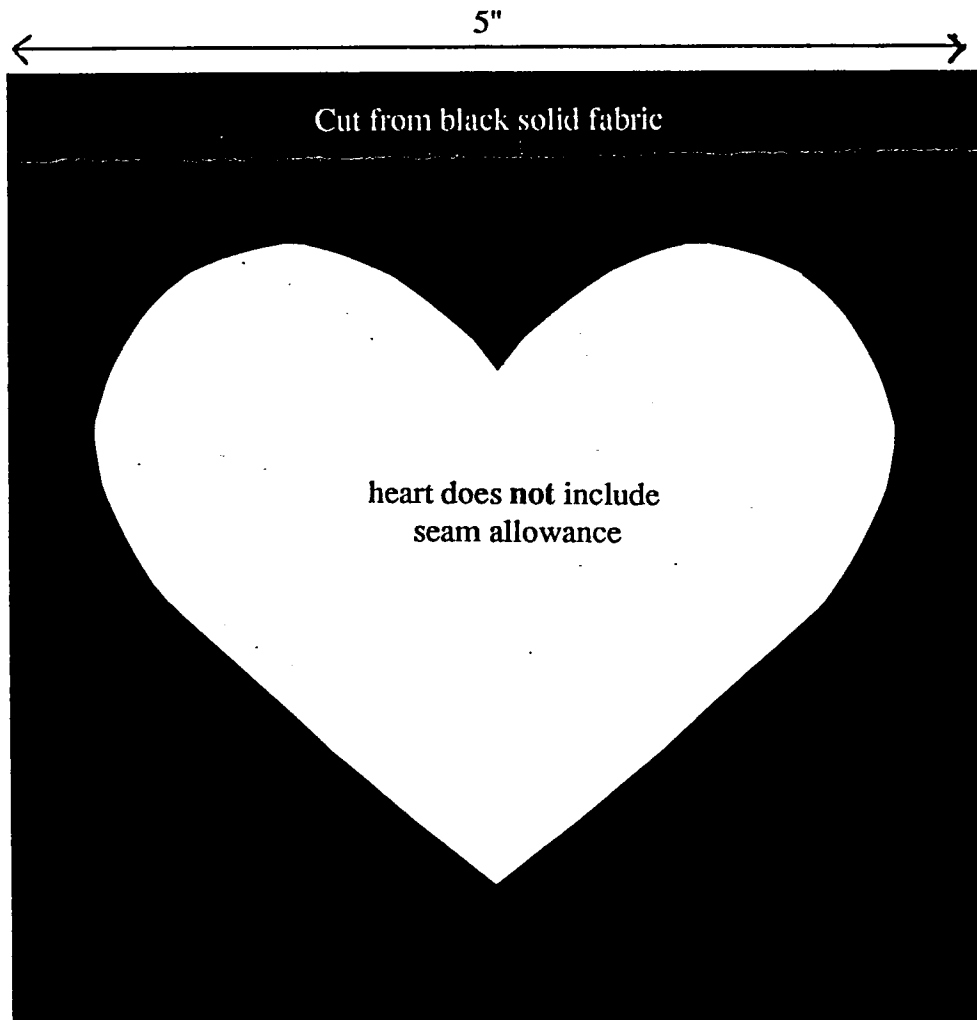

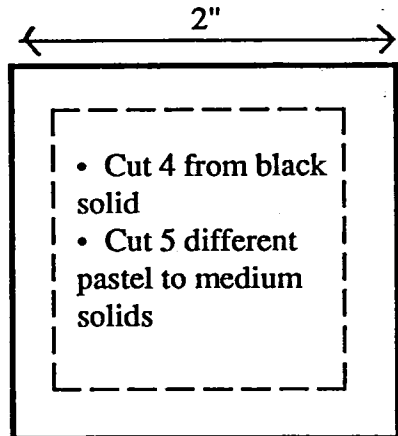

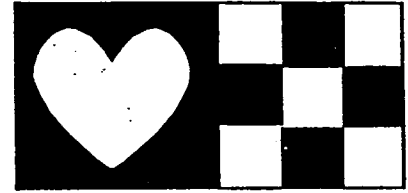

Maggie Godwin 964-7954

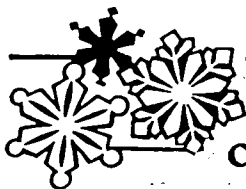

-- If you win these blocks, you'll have *four whole days* until Valentine's Day to finish your quilt! -- 

Construction:

1. Cut the large (5") square from black solid fabric.
Cut 4 small (2") squares of solid black.
Cut 5 small (2") squares and the heart from at least five solid colored fabrics (pastels thru clear mediums -- blues, greens, purples or pinks)
2. Sew the nine small squares together into a nine-patch block. Use a 1/4" seam allowance. **Measure after the first seam.** If it isn't 1/4" -- try again. Complete the nine-patch.
3. Press the nine-patch. Compare it to the large black square. **Are they the same size?** If not, make adjustments to the pieced block.
4. Hand appliqué heart on black square. Press.
Are both blocks still the same size?
