October Meeting Focuses on Fantasy

Embellished surfaces will be the topic of tonight's lecture from noted "wearables" artist Christen Brown. Using both hand and sewing machine, this versatile designer brings color, depth, and texture to the surfaces of her garments while creating moods that range from the pensive to the festive.

Christen describes herself as a "major hoarder" of fabric, buttons, beads and baubles. An experienced designer but new to teaching, she has found unexpected fulfillment acting as a guide to her students. Her intention is to create garments that will "create a fantasy-like aura to envelop the wearer of each of my garments." Wearable art holds Christen's interest because of the infinite directions this field allows her imagination to travel.

Join Christen's workshop tomorrow at the Goleta Community Center. Check with Workshop Chairman Jan Inouye to see if any spaces are still available.

The New Esprit Collection

At last a chance to see this compelling collection without a trip to San Francisco! Curator Julie Silber will speak on the newly expanded Esprit Collection of antique quilts. For many years exclusively Amish, this corporate collection of 200 quilts is now expanding to include spectacular examples of applique and folk-art quilts. Julie's talk will include slides of the renowned Esprit building and installation shots of the quilts on permanent display.

Get the Spirit

Join us in December for the presentation of the Transition House Quilts and for Holiday Fun and Games.

Save the Date for our January Meeting

January 12 and 13 the Guild will host gifted quilter and teacher Ruth McDowell. Just ask anyone who has ever taken a class from Ruth to tell you about it. Superlatives will fly. Be sure to be here for our first meeting of 1994 to meet this respected and admired quilter who manages to capture the strength and delicacies of the natural world in cloth.

QUILT FOR SANTA BARBARA CITY HALL

The Santa Barbara quilt will be the center piece for our quilt show in 1995 at the Natural History Museum. It has not been decided what we will do with the quilt after that, we hope we will send it out to collect prices. Would you like to have your name on the quilt as a creator and/or quilter? We are thinking of a quilt with the ocean on the bottom, the mountains on top and State Street sort of in between with landmarks everywhere. Maybe a border of succulents, flowers or trees. An inspiration was the Minnesota quilt published in American Quilter, Summer 1990.

We need :

1. Drawings, (even pictures or postcards are OK) to pick from
2. Volunteers to work on the quilt
 - ⊕ Appliqué blocks
 - ⊕ make patterns to scale
 - ⊕ put kits together
 - ⊕ baste
 - ⊕ quilt

Drawings and suggestions will be due at the November Meeting. The second Santa Barbara Quilt Meeting will be November 22 at Barbara Maxwell's office. At that meeting we plan to:

1. pick out the drawings to be used
2. choose the colors
3. select blocks to do and who will do them

Barbara Maxwell is the project leader Tel.: 687-7308
466 N La Cumbre Rd. Santa Barbara, CA 93110

The following things were suggested as possibilities to use in the Quilt:

the Mission	the Courthouse	Fiesta Parade
the Dolphins	Botannical Gardens	Sea Center & Wharf
Hills	Beach	Poppies
Bougainvilla	Sailboats - Harbor	Palm Trees
Hibiscus (the city flower)		Rose Garden
Fig Tree	Alice Keck Park	El Presidio
Homeless People (perhaps tennis shoes or sign:	"Will work for food."	
City Hall	Art Museum	U.C.S.B.
S.B. High School	Los Banos	Airport
City College	Different Trees - lots of kinds	
Birds (top three in our annual bird count, as	Hummingbird)	
Downtown	Tile Roofs	Museum of Natural History
Film Festival	the Lobero	Brinkerhoff Ave. with a quilter
Chalk Paintings	Solstice	Victorian houses (as on Bath St.)
the Arlington	the Riviera	
a Border of succulents and flowers		

Perhaps have State Street running through the quilt with the ocean on one end and the mountains on the other end.

The space available at City Hall is 60" wide. It was decided to make the quilt first; then see about hanging it somewhere or having the Guild keep it.

It was voted to use the style of that used in making a Minnesota quilt (see American Quilter, Summer, 1990).

COASTAL QUILTERS GUILD MEETING: September 8, 1993

Guild president Barbara Maxwell called the meeting to order at 7:30 p.m. There were approximately 105 members present plus six guests, including Yoop Smits, a quilting teacher from Holland. All were welcomed and the format for tonight's meeting explained. First order of business was to have Susan Cochran explain our "Favorite Things" Challenge and the rules - or rather lack of them. Categories for voting were explained. Members were then given 20 minutes to move clockwise around the room to view all the quilts and vote for their choices.

After the break, the president thanked all the cashiers who had worked at the Book Fair in August. One thousand dollars worth of books was sold at that Fair. Carol Boyce is taking orders for the AQS 1994 wall calendar that includes our Museum Quilt. Congratulations to Darlene Skog, who will have a quilt hanging at the Pacific Internations Show in S.F. It was announced that we have a tentative date of May 1995 for our next Museum Show. The Historical Museum is thinking of having an antique quilt show at the same time as our show. Barbara Maxwell is hosting a planning meeting for the S.B. Quilt - meet at her home office on Sept. 20. at 7:30 p.m.

Harriet Berk reported that ticket sales for our Opportunity Quilt have not been very good. Please don't forget to turn in your tickets.

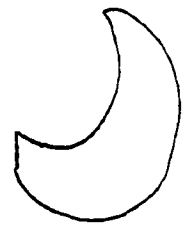

After a break for refreshments, the business meeting resumed. Maggie Godwin explained the Block of the Month for October, a Frog block. Madeline Rowlands won the five blocks of Hawaiian quilting.

Lee Carlson handled the drawing for door prizes.

Seven members shared at Show & Tell; also visitor Yoop Smits shared many of her quilts, including a lovely basket quilt top.
