

**Coastal Quilters Guild of Santa Barbara & Goleta      January, 1998**

**A Heartfelt Thank You**

The following letter was received from the Pediatric ward, which was the recipient of all your quilt giving efforts, everyone who helped give yourself a pat on the back:

*Dear Guild Members:*

*There are no possible words to accurately express the appreciation for all of your diligence in the making of the magnificent quilts for Pediatric Services. As the recipients of the quilts, both Gina and myself were overwhelmed with the beauty, creativity and individuality of each quilt.*

*It is our hope that we can pair the quilts with patients that complement their personality and interests. We have already begun the process and the children and their families have been overwhelmed. The first two went to a brother and sister hospitalized together. Both children not only loved the quilts, but were thrilled to know they could take them home.*

*Please extend our appreciation to all Guild members as well as those thinking about starting a project sometime in the future. These quilts will make a difference, spark a smile, hug a child circled in uncertainty and some may come back to visit time and time again.*

*A thank you to Nancy Bauerle for the pictures, all of which will be shared with staff throughout Pediatric Services. What a wonderful way you all have chosen to share your talents.*

*With warm wishes for a happy holiday season,  
Jaynie Wood, M.S., C.L.S and Gina Masters-Yearick, RN, CEN, CCRN*

## Quilt Show News

By Diane Eardley, Faith Huxley and Betty Kelley, Co Chairmen

The week before Christmas and no one might have been stirring in their houses, but the quilt show committee was stirring in Sanmarkand. Plans continue to roll right along and a lot of hard work has already gone into our upcoming show on Saturday, October 3<sup>rd</sup> and Sunday, October 4<sup>th</sup>.

In case you haven't noticed it, there is a form included in COAST LINES this month for your quilt entry! The acquisition committee has done a great job in getting a lot of information into a small space to give both you, the quilter, and the committee that will physically hang the show, the most help possible. Now it is up to you to get those wonderful quilts finished!!!

The application for entering a wearable art piece has not yet been completed, but, when it is, it will also be published in COAST LINES. We would like some additional volunteers to work on this committee. This job entails working out an entry form, (probably just about the same as the quilt entry form) setting up a collection system for the garments and helping with there display. It sounds like a fun job and not too time consuming. Please speak to one of the chairmen if you can help.

The Vender's Committee is making great headway. There should be about

32 vendors at the show. It turned out to be a good weekend as some are coming from out of state and will combine being at our show and at Pacific International the following week!

## *Information*

This exhibit is a members' showcase, providing an opportunity for everyone to display their newest, best, or favorite quilt(s) at a large show. The committee urges each and every member of the Guild to submit one or more entries to this event.

Submit your written entry(ies) as soon as possible. It's not too early to reserve your place on the wall. Your quilt(s) can be currently unfinished or in process but must be completed by collection time. Every member of Coastal Quilters Guild is assured of the display of at least one quilt. Exhibit space permitting, additional quilts will be selected by lottery according to size. Please indicate the priority of the submitted entry; every effort will be made to honor your priority.

For purposes of this show, a quilt is defined as a fabric construction consisting of a front, filler layer, and back held together with stitching and made by the member-exhibitor. Cheater panels, tied quilts, and entries made from kits will not be accepted. Quilts may not have been hung at a previous CQG exhibit.

**Security Arrangements:** Every effort will be made to protect all quilts. Accounting and surveillance will be strictly planned and maintained. Eating and smoking are prohibited in the exhibit hall. Responsible white-gloved hostesses will try to keep all quilts in view at all times and will discourage touching by viewers. However, CQG show insurance does not cover the quilts. Each owner is responsible for insuring her own quilt(s) for loss and damage.

**Label:** An identifying label should be sewn securely to the quilt on the back of the lower right side stating the quilter's name, address, telephone number, and name of quilt.

**Sleeve:** A 4" sleeve must be attached to the back top. This provides a safe and secure means of hanging the quilt. Quilts without sleeves will not be exhibited. **Sleeve construction:** Cut fabric 9" by the width of the quilt less 2". Stitch a narrow hem on each end of the strip. Fold the strip in half lengthwise and stitch a 1/2" seam on the right side of the fabric, creating a long tube. Press the tube flat. Hand-stitch the top and bottom of the sleeve across the entire width of the quilt. Be sure the sleeve ends remain open for insertion of the hanging rod. Your finished tube will be approximately 4" to 4-1/2" wide.

**Packaging:** Each quilt should be delivered in its own pillow case with the maker's name marked in indelible ink in large letters on the hem. This will help keep the quilt clean and facilitate transport.

Details on quilt collection centers will be provided by September 1st.

For additional information, please contact a member of the Acquisitions Committee listed on the reverse side.

Happy quilting! We're eager to see your submissions on display.

### January 14

Several members of our Guild have agreed to share their quilts with us and tell us about their inspiration or lack there of, design goals, any obstacles and how they dealt with them. This is a wonderful opportunity to learn more about our members and their quilts. So sit back and enjoy the program that Nancy Hori, Betty Libbert, Karen Pickford and Toni Smith are providing tonight. Aren't we fortunate to have members willing to share. There will be no workshop this month.
