## *October Meeting and Workshop*

Dorothy Osler lecture this month will take a close look at the quilts and quilters associated with the County Durham and how the quilts developed their individual style. Dorothy is a well known figure in British quilting and is known for her knowledge of British traditions in quilting.

**THERE IS STILL ROOM IN THE WORKSHOP!!! ONLY \$30!!!**

### Durham Quilting

The traditional "Durham" wholecloth and strippy quilts (from Northeast England) have a wonderful flowing style that looks oh so difficult to plan - but isn't! This class takes you carefully through the stages of planning and marking out a small wholecloth quilt - including the center, borders, corner and filler. As well as learning the style of "Durham" quilting, you will learn how to mark out for quilting and how to plan any wholecloth quilt.

**NOVEMBER WORKSHOP: 13 & 14**  
In this two day workshop, Paula will teach how to design symmetrical repetitive blocks, the use of fabrics to enhance your design and her special methods for machine piecing intricate designs. Price only \$50.

To sign up for either workshop call Carol Meyer at 963-8956 or 964-6056.

**NOTICE:**  
Elections for all Board of Director positions will be held at the November meeting.

*Home is where the quilts are*

**The last Community Quilt workshop will be held Sat. Nov 14 at Samarkands' Craft & Garden room. Quilts need to be finished for presentation at the Dec Guild meeting.**

## *November Speaker*

Paula Nadelstern will be our guest speaker and workshop instructor in November.

Paula is the author of *Kaleidoscopes & Quilts (C&T)*, travels extensively throughout the United States teaching her unique kaleidoscope quilt-making techniques. She is a recipient of Artists' Fellowships from New York Foundation for the Arts (1995) and The Bronx Council on the Arts (1996). *Serendipity*, a line of fabric designed exclusively for Benartex, Inc. premiered in 1997.

Paula's award winning quilts have been featured in numerous international exhibits and television shows, including "CBS Sunday Morning", "The Great American Quilt" (PBS), "New York Views" (ABC), "Handmade by Design" (Lifetime) and "Lazar's Bazaar" (CBS). Her quilts have also showcased on the covers of many, many magazines. Paula was particularly proud to be interviewed on two NPR affiliates WNYC (New York, NY) and KUAC (Fairbanks, Alaska). Her commissions include hangings for corporate spaces and a group of selected pieces which were offered through Liberty of London, Inc at Rockefeller Center.

## Harvest of Colors Reaps a Bounty of Goodwill

I'm writing this before the fact, but I'm sure that by the time you are reading this, we will all be giving ourselves a well deserved pat on the back for a very good effort the weekend of October 3 and 4. By now all our co-workers and neighbors have a good idea of why we all like quilting so much!

I'd like to thank **Diane Eardley** and **Betty Kelley** on behalf of all of us in the Guild for being willing to take on the leadership of our guild show. This was a huge commitment of time, energy, and personal effort that benefits everyone. They, of course, didn't do the work alone, and next month we'll publish a complete thank you list of all the key committee chairmen and volunteers. Many of those positions required almost as much effort as the co-chairmen had to make. Everyone put forth their best efforts for the Guild's benefit, and the beautiful display at Earl Warren was the result.

I hope you all enjoyed the shopping and that some of our members have a bit of extra spending money as a result of the boutique. I'm sure the public was impressed with the display of community quilts and that the Touchy Feely Quilt will long be remembered by all who felt it! The star of the day must have been the quilts themselves, both the self-selected entries and the challenge quilts, which all pleased and impressed our visitors. From what I saw preparing the publicity, the quilts were all wonderful, with stories to tell in cloth, and masterful workmanship to show off. (Now! that's a word that needs to be adjusted for PC for sure.)

Thank you all, everyone who helped, for making this special weekend possible for the Guild.

Well done!  
Norah

P.S. Watch upcoming *Coastlines* for information on attendance, best of show, and income.

PPS. Just in case you are considering serving as President— it is the BEST job on the board and I've had (it seems like) 'em all. Call Lora Martin and volunteer today!

## New Members Reception

Because of our big event in October, we are not holding the usual welcome reception this evening for new members. Though we love our new members, we just couldn't ask everyone else to make fabulous refreshments the days right after the quilt show. ("Hi! Thanks for volunteering 16 hours at the show. Can you bring a platter of devilled eggs to the October meeting--on a nice platter?")

As the temperatures will soon be dropping and the evening light failing, our patio setting will be impractical later in this year, so we'll honor our new members at a reception before the December meeting.

In the meantime, one of the best things you can do to feel part of the Guild, is to join a satellite group. Contact Ruth Walters for more information on these small informal groups.

## Opportunity Quilt Drawing Tonight

**Janet Berlin** not only designed a beautiful quilt, she was successful in getting the huge piece hand quilted! Many members contributed countless hours to the effort which was admired by everyone who saw the quilt. Thanks to **Harriet Berk** we all were amply supplied with opportunity tickets and she made sure every donor's name got into the "hat" for tonight's drawing.

Good luck to everyone who's hoping to take the quilt home tonight.

## Thanks for the "Stamps"

**Grant House Sewing Machines** paid the entire cost of mailing the September newsletter. We are indeed fortunate to have the support of local businesses!

## Memories are Magic

Do you have a fond or funny memory of your experiences as a Guild member in the past ten years? Share it with me to help me prepare a really special 10th birthday celebration for the year end. Call Norah, 962-8511.

## 1999 Coastal Quilters Nomination Form

Hello everyone, now that we've had such a great time with the Harvest of Colors show, I have one more thing for all of you to think about .... filling next year's board and volunteer positions. I have spoken to lots of wonderful people about filling these positions but am still far short of having a slate to present to this guild in November. We need more of you to come forward to share your talents and time to enrich the guild experience for all of us next year. Regardless of whether you have been quilting forever or only ten minutes, you have something wonderful to share with this guild and we want to hear from you!

Please give serious consideration to filling one of the available positions. They are all important and a wonderful opportunity for you to serve the Guild that serves you. You can fill out the form below (there will be a box at the back table at the guild meeting to put them in) if you would like to fill a position or want to nominate someone you feel would be perfect for a position, or call me, Lora Martin, at 966-3685.
