Quilt Show Dinner

There will be a wonderful dinner on the Friday night, before the Harvest of Colors Quilt Show opens, for all members, workers, and guests. (If you are working at the show Friday, you are welcome to come to the dinner in your working clothes). It will be held in Warren Hall (behind the main exhibit hall) at 6:00 pm. The dinner will feature wonderful food, a variety of home-baked desserts, a no-host wine bar, and great door prizes! As an extra-special treat, Ellen Ann Eddy will give an after-dinner lecture—all included in the price of the dinner.

You may buy your \$20 ticket for the dinner through the Guild website, or at the next Guild meeting.

Come and enjoy the food, the company, the lecture and the prizes! This is our show, and this is our chance to relax and enjoy the fun. See you there!

The Loose Threads satellite group (members: Jean McCaffrey, Ky Easton, Susan Carty, Judy McCartney, Juli Shulem, Ing Welker, Heather Georgakis, Diane Haley, Barbara Aspen, Paulette Ley, and Cynthia Manzer) are arranging and hosting the dinner. If you have any questions about the dinner, please call: Jean McCaffrey (Head Thread).

Fall Adult Education Classes

Fall term is 10 weeks, beginning Monday, September 15th and ending Saturday, November 22nd, 2008. Holiday for the term is: Monday, November 11th (Veteran's day)

CLASS DESCRIPTIONS

Beginning Quiltmaking

A course for those who have never quilted and for those who want to sharpen their basic skills. Learn the fundamentals of quiltmaking while constructing a small sampler quilt. Covers traditional and contemporary techniques of piecing, appliqué and quilting.

Marty Frolli
Beginning Monday, September 15th
Mondays, 9 am – noon
Room 18 Wake Center

String Quilts

String quilts are scrap quilts that consist of narrow strips of fabric sewn to a foundation. Historically, scraps from home sewn dresses, shirts and aprons were pieced to foundations of cloth, newspaper or catalog pages. Join us, as we string together squares, triangles and diamonds into a contemporary quilt that reflects the beauty of these antique favorites.

Prerequisite: At least one quarter of Beginning Quiltmaking or the equivalent.

Marty Frolli
Beginning Wednesday, September 17th
Wednesdays, 9 am – noon
Room 18 Wake Center

Quilter's Workshop

You'll enjoy three hours of uninterrupted quilting bliss! Join friends in this non-structured class to complete quilting projects. Take advantage of the large tables to baste quilts or use the Bernina machines to do some machine quilting.

Prerequisite: At least one quarter of Beginning Quiltmaking or the equivalent.

Marty Frolli
Beginning Friday, September 19th
Fridays, 9 am – noon
Room 18 Wake Center

Quilt Show Acquisitions

You've submitted a picture of your quilt(s) and entry form(s) – now what?

The next step to getting your quilt(s) hung at the October show is the “collecting” phase.

By Sept. 7th, those members that volunteered to collect quilts will be contacted with instructions and a list of the quilts they are to procure. These collectors will then contact each member on their list and arrange for a mutually convenient time for quilt delivery.

I suggest that all quilts be collected between Sept 21st and Sept 28th – but the exact date is up to the collector.

ALL QUILTS MUST BE SIGNED OVER TO A COLLECTOR BY SEPT 28TH.

If you requested that your quilt(s) be judged, your collector will be responsible for delivering the quilt(s) to the judging site. If not being judged, your quilt(s) will be taken by your collector to Earl Warren Showground on Friday morning for hanging.

You must pick up your quilt(s) Sunday, October 5th at the Earl Warren Showground after the show ends. You will receive written instructions, including time and location, when you drop off your quilt(s) with your collector.

NO QUILT MAY BE REMOVED FROM THE SHOW BEFORE SUNDAY EVENING.

If you are not able to deliver your quilt(s) to your assigned collector, or cannot pick-up your quilt(s) on Sunday evening, it is your responsibility to provide a friend with written permission to drop-off and/or pick-up your quilt(s).

Policies and procedures will be strictly adhered to in order to provide a safe and secure environment for all quilts.

From Darilyn's Desk:

Wow! What a night! As many of you know, our August meeting was devoted to our annual silent auction and what an auction it was! I'm pleased to report that we earned more than \$2900 for our guild.

I'd like to thank everyone who participated, whether you made a donation or purchased items, we couldn't have done it without your support. I'd also especially like to thank Cathe Hedrick, a new board member, for producing one of the Guild's most successful auctions ever – in only a couple of months! Cathy's vision and willingness to take on a different approach for the event paid off in huge dividends – all the while proving to be an enjoyable time for those who attended. Many thanks also to Dawn and Patrick Farrier, from The Creation Station, for conducting the live auction. Their stylish attire, colorful coif and quick wit were just what we needed to top off a wonderful evening.

This past month I attended the Southern California Quilt Guild Association's "Meet the Teacher" meeting along with Cathe Hedrick (your Future Programs VP). We watched presentations from 30 potential teachers and were excited to learn more about how the Association's network and resources may ultimately benefit our guild. I look forward toward utilizing these resources in the future, but right now I would like to turn my attention to a much more pressing issue - our own quilt show.

The Harvest of Colors Quilt Show is just around the corner and I encourage each and every one of you to continue to support our show. I'm pleased to announce that we have 173 quilts submitted with 57 being judged. In previewing the photos submitted, our show promises to be full of exquisite and colorful quilts that feature fascinating designs, excellent workmanship, and a wide variety of techniques.

In order for our show to achieve optimal success, it is imperative that each member help with show promotion by:

- inviting at least five friends to attend our show
- posting at least three posters at locations you frequent (your car, church, coffee shops, salons, gyms, cleaners, other organizations)
- signing-up for at least one volunteer shift during the show

Remember, our show not only produces income to support guild activities and programs, but it also provides us with an excellent opportunity to increase community awareness about who we are and what we do. So, let's get out and promote our guild!

*Until then, let's go sew,
Darilyn*

Quilt Show Volunteers

Many thanks to all of you who have signed up to help at the Quilt Show. We still need a few people, especially to work security. This involves sitting at exits and looking official and helpful. All members are encouraged to work at least one shift at the show. Members with quilts in the show are expected to work at least one shift at the show.

I will be sending all volunteers a letter reminding you of your job. Keep the letter and bring it with you to the show. It will be your pass for free parking.

All volunteers will enter at the Volunteer/Vendor entrance, which will be where our main entrance was last time. When you come for your shift, come in that entrance and check in with me. I will give you a wrist band, and any instructions you may need.

Community Quilts

Dear Quilters: After a wonderful showing of bunk-sized quilts for the Transition House last fiscal year, we will be making all sizes of quilts for the Teddy Bear Cancer Foundation this current fiscal year ending with the June meeting.

The Teddy Bear Cancer Foundation is a local organization that was inspired by a three year old boy diagnosed with Ewing Sarcoma. Two years later, he suffered a relapse. One day his mother broke down in tears as she shared the hardships she and her family had faced. She spoke of unplanned and extended hospital stays, expensive medications, sometimes costing as much as \$1,000.00 after insurance. Furthermore, she shared the dilemma of giving up her income in order to care for her son and accompany him on hospital stays.

The Teddy Bear Cancer Foundation was founded to ensure that children with cancer receive the undivided comfort of their parents during the treatment and recovery process. They achieve this by providing middle- to low-income families with financial aid for rent, mortgage, utilities, and car payments, as well as other supportive services, thereby allowing families to focus on what is truly important – their children.

Since this is a very difficult time in the life of these children and their families, a quilt will be a small comfort that we can provide to show them that someone, even someone who is a stranger, cares for their health and well-being. The thought is as valuable as the quilt itself.

We will be accepting quilts of any size, but are providing guidelines for three main sizes: 36" X 36" for babies, 36" X 45" for children, and 45" X 60" for teens.

We have been putting kits together for you to sign out, as well as rolls of batting for the sizes described above. Please come by at the September meeting (and thereafter) and check them out. The kit instructions and list of 10 Most Frequently Asked Questions are available on our Community page of our website (www.coastalquilters.org), so please check that out.

We're also providing some patterns for your use and/or inspiration.

As always, if there are any questions, please call or email us.

Harvest of Colors Quilt Show: Workshops!

In addition to all those gorgeous, eye-popping quilts, you now have the opportunity to learn something new from Ellen Anne Eddy, Joe Cunningham and Andi Perejda, all brought to Santa Barbara to show you new and exciting quilting techniques.

Of course, many of us will be working during their workshop hours. Consequently, this is our opportunity to bring friends and family into quilting. Encourage them to sign up for a workshop and realize their potential. Remind that good friend who has always "wanted to get back into quilting" that this is the perfect time to pick up a new technique to two. Plus, as an added bonus, the workshop price includes admission to the Quilt show for that day!

Ellen Anne Eddy – Our Featured Artist

The Thread Magic of Ellen Anne Eddy

Dinner and Lecture (Friday, 6:00) \$20 (Tickets for this event only will be sold at the September Quilters Guild meeting)

Includes a slide show and discussion of the development of her own techniques in machine quilting and embroidery, embroidered appliqué, reverse appliqué with solids and sheers, three-dimensional appliqué, naked needle, specialty threads, and machine beading.

Thread Magic - Lecture (Saturday 12:30) \$15. Includes a slide show and discussion of machine embroidery and machine quilting as design elements in contemporary quilting. For further information see: <http://www.ellenanneeddy.com>

Joe Cunningham

Joe's workshops are great for the beginning quilter and require no preparation other than bringing the materials needed for the class.

Elements of Chance (Saturday 9-5, 2 hour lunch break) \$65. Using my simple technique we will make a small quilt full of life and unpredictably individual.

The Big Stitch (Sunday afternoon 1-4) \$40. Tired of the fussiness of hand quilting? Looking for a fun way to make your quilts stand out? This class will introduce you to the needles, threads and patterns for big stitch quilting. This class is advertised as a class "where quilters will do the easiest, fastest and most fun quilting ever." For further information see: <http://www.joethequilter.com/joethequilter>

Andi Perejda

If you went to the Seven Sister's Quilt Show, there were a number of quilts acknowledging Andi's classes and expert help, and we saw some lovely quilts showcasing her techniques.

Circle of Illusion (Saturday 9-5, 2 hour lunch break) \$65. Have fun watching your eye-popping circle of illusion come to life with Andi's own pattern as seen on Simply Quilts (HGTV). A two-color, optical circle of illusion is deceptively simple to make. Preparation work is needed for this class.

Beginning Hand Applique (Sunday afternoon 1-4) \$40. Basic needle-turn hand appliqué stitch is taught while working on a stress-free heart design. Learn how to handle "innies" and "outies"! For further information see: <http://www.andiperejda.com/>.

Block of the Month

Shape for October: Diamonds!

The theme for this year's blocks is **Geometrics**. Each month will feature a different geometric shape. There are simple and consistent guidelines for the entire year, so you can stock up on fabric and use your creativity in the pattern, design and size you choose. You could make two blocks each month, and submit one, and by the end of the year, you will have your own geometric beauty, not to mention all the ones you won during the year!

The shape for **October** is **DIAMONDS**: This can be one large DIAMOND, such as an Amish "center diamond" pattern, or a more complex design like a Mariner's Compass. If you need inspiration, check out the website <http://www.dearjane.com> about Jane Stickle's quilt on the home page. Ideas galore! (Actually, it can be as simple as a square turned on point. Right? Shhhh...)

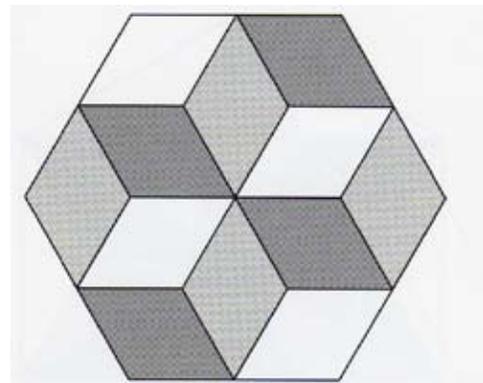

An idea has been presented that might just float your boat: Exchange some of the blocks you've won, or that you're about to win (of course, you have to enter a block to win, right?), with one or more of the other winners to give your quilt more variety. Or not. It's just an idea....

Above all, HAVE FUN!

-The Loose Threads satellite group

Guidelines:

1. You may choose **any size block** as small as 4 inches square (finished), up to 16 inches square (finished) as long as the finished size is divisible by two (4x4, 6x6, 8x8, etc.). Don't forget to build in your seam allowances—the working block would be one-half inch bigger than the finished block. Right? The fun of this guideline will be for you to figure out how to put together different-sized blocks into an interesting and cohesive design. It's a challenge!
2. All blocks must have **black borders** – preferably at least one inch wide. If you use a pattern with a background, make that background color black as well. The border and background can be pure black, or black-on-black fabric.
3. **No large or busy prints** – think Batiks, Bali prints, brights, tone-on-tone, jewel tones, primary colors, whatever you think will look great.
4. While there will be **no specific pattern**, we will supply you with tips, samples, and ideas of what you can do for the SHAPE of the month.
5. **No other SHAPE** should be in the block for the month. But any block that features the shape-of-the-month will be just fine!

Organizing Tip of the Month:

from Juli Shulem, Professional Organizer

In order to store fabric easily, neatly, and beautifully, check out the Fabric Storage Sheets offered by Polar Notions (www.polar notions.com). They allow you to stack your fabrics having been neatly wrapped on these re-usable plastic sheets. Your sewing room will look like a mini fabric store (like it doesn't already)!

Nellie Munoz purchased this product at a quilt show and highly recommends them, so 'thank you' to her for bringing them to my attention to share with you. Remember if you have a great organizing tip you would like to suggest, email me and you might just see your idea show up here!
