Playful Pieces--Pockets and Postage Stamps 2010 Quilt Challenge

The price of U.S. postage stamps goes up and up. But Quilter's postage stamps are always free for the taking. As you could see at the July meeting, Judith has taken as many teensy squares as she has had time to cut out of her scraps. The size of these little gems is 1 1/2" cut, 1" finished. The Challenge requires six of these squares, but if you love them as much as Judith does, more is better. If you think they're beautiful when pieced but too tedious to sew, as Jean does, then six it is.

Tidy ladies have pockets in their aprons. Punctual men have watch pockets in their jeans. The back of car seats have pockets. Thick pork chops can have pockets. Some pockets are strong and secure, while others have an annoying hole. You

can find panels of pockets to hold shoes, jewelry, or quilting notions. Keep your snapshots in albums of pockets, as well as your valuable baseball card collection.

We challenge you to make a quilt with 6 postage stamp squares (1" finished) and one or more pockets. Your quilt can be 144" - overall dimensions, or smaller.

The rest is up to you. Choose your favorite way to work and have at it. Remember that the Challenge has been moved to March as of this year, so put your thinking cap on as soon as possible.

Harvest of Colors 2010

Planning for the next quilt show officially began with our first meeting on July 16th. The dates for the show (please mark your calendars) will be September 25th and 26th. Most of the committee leader positions have been filled, except for a few, which are listed below along with a brief description. Other "special assignment" jobs are also listed below.

Vice-Chair: This person will help the chairperson (Karen Pickford) with general duties such as making phone calls and other administrative tasks that need to be performed during regular business hours. As this is a new position, the job duties are not specifically known at this time – so flexibility is important.

Public Relations (local): This is a critical position!!! This person (or group) will be responsible for distributing posters and bookmarks to local venues and various quilt shows, etc. We would also like this committee to work on setting up special exhibits at stores in the area, at the Goleta Library (the downtown library was already booked), and perhaps a "1st Thursday event. Please note that this job could be done by a satellite group or a small group of friends.

Hanging: This person (or group) is responsible for organizing the volunteers who will be hanging the quilts on the Friday before the show, beginning Friday morning.

Sponsor Coordinator: This is also a new position, and somewhat of an off-shoot of PR. This person or committee would hopefully help find sponsors to help underwrite the show and/or advertise in our program. Mostly this will involve letter writing, emailing and phone calling. Having contacts in the community would be helpful, but there is a list of previous contacts to start with.

Graphic artist: We need someone with graphic arts experience to design our poster – and this is something that needs to be done by the end of 2009 for distribution early in 2010.

Please contact **Karen Pickford** at 967-9588 or kjpickford@cox.net if you can help with any of these important jobs. Remember that "Many hands make small work" – and by pitching in we will have a wonderful show, of which we can all be proud.

From Darilyn's Desk:

Wow, it is hard to believe August is on the horizon! July was a fun month for the Guild. Last month's new member picnic was a terrific success. It was a wonderful day with perfect weather and great food (quilters never disappoint considering there were more desserts than all other categories combined and they really DO love their chocolate...and pies...and cookies...and ice cream).

We also enjoyed all of the hats worn by our members at our picnic. Some hats were elegant with outfits coordinated to match; some showed off our member's quilting passion by sporting spools of thread and fabric pieces. Others were very creative - the lampshades and the chicken-in-the-straw come to mind. All were fun to look at and admire. A special thanks goes out to all who participated.

I'm pleased to announce that Naomi Hicks won the best picnic photo award. If you would like to view the winning photo as well as see other pictures from the picnic please check our website at www.coastalquilters.org. And if you still have photos you would like to share with your fellow members, email them to Bonnie Barber at bnjbarber@mac.com. I encourage you to put them on our website for everyone to enjoy.

As many of you know we also presented the Community Quilts at our July meeting. This year's presentation of our quilts to the Teddy Bear Cancer Foundation was a moving experience. The first quilt given out was to a young boy who is crazy about horses. Guess what quilt he chose...that's right...a horse quilt. We have a wonderful picture of him with the quilt posted on our website. Be sure

to check out his beaming smile!

I'm also pleased to announce that during our picnic the library book sale made almost \$400, and we gave away more than \$50 of books to last year's new members. With the incredible success of our July meeting, I would like to take a moment to extend a special thank you to the Sew-it -All satellite group for hosting the 2009 picnic. And, I'd really like to thank all of you for remembering to arrive at 5:30pm!

The August meeting will also begin at a non-standard time. **The Silent Auction** opens at 6:15pm. This event promises to be fun and very exciting. Cathe Hedrick (VP Programs) has worked incredibly hard for several months collecting, bundling, and pricing all of your fabulous donations. We have more than 200 items for you to bid on in the silent auction, so there will truly be something for everyone! Dawn and Patrick Farrier from Creation Station will reprise their roles as auctioneers for the Live Auction portion of the program. We will also provide surprise entertainment during the evening.

Invite your friends, family, and anyone who you think might be interested in seeing what our Guild is all about. It's a perfect opportunity for prospective members to meet us as well as find great deals on everything they need for sewing. See you at 6:15pm.

Until then, let's go sew!

Memoriam for Marilyn Weal

Marilyn has been a member of Coastal Quilters since 1991. At that time, four of us started carpooling from Camarillo, Oxnard, and Ventura. Since that time,

Marilyn seldom missed a meeting. In earlier years, she had done sewing and tailoring, developing a great affinity for all fabrics.

She loved older designs and patterns and collected them, along with fabric, for the many projects she had in mind. Her name will be found on the cards of many library books as she never left a meeting without finding a book or two to take home. She was also an avid weaver and drove from Camarillo to the Wake Center several times a week to weave. She loved the finished products as much as she loved the people in the class. She was a loyal, caring friend, interested in art, gardening and quilts, and was always ready to go to a quilt show, art exhibit, garden, or class.

She was quiet, with a cute sense of humor and a quick mind but not known by many in the guild. However, she had a keen sense of responsibility and always volunteered to do her part in guild shows and activities.

This special friend spent the past two years fighting breast cancer. She lost a brave battle on Sunday, July 5th, as a result of metastasis of the cancer to the brain.

Marilyn cherished and cared about friends and family and will be greatly missed by all who had the privilege of knowing her.

September

John Flynn, a well known quilter, (and FUNNY... not laughable, mind you) will join us for his lecture *The Perfect Cover*. This is a very special event for us...don't miss it! His workshop is *Pickle Dish*. Hope you have all ready signed up for his class. He'll show us how triangle arcs can be strip pieced. His template will be \$20 which involves a 15 or 18 " Double Wedding Ring template set and the add-on template set for the Pickle Dish variation. The Pickle Dish variation set has the pieces to make 5, 6 or 7 points for lots of versatility. www.flynnquilt.com

WWW.COASTALQUILTERS.ORG WOW!

Bonnie Barber, our new webmaster, has reorganized our Guild website to give it a fresh look... you should see it now!

Our updated "homepage" has a new, dynamic look... Bonnie updates it regularly, so be sure to visit it often to see what's coming up next! Currently she is spotlighting candid photos from our New Members' Picnic in July, as well as the presentation of quilts to the Teddy Bear Cancer Foundation. If you click on the link for "View Teddy Bear Foundation Presentation", you'll also see a message from Becca Solodon of the Foundation and a photo of one of the happy recipients of your quilts.

Our homepage also features links to the NEW challenge, "Playful Pieces", chaired by Judith Nybakken and Jean Mac-Millan, new on-line quilting websites, details about our August auction, upcoming Guild bus trips and the LATEST Coast Lines newsletter. The current "Merchant Member" being featured is one of our very generous and long-time donors, Baron's Fabrics in Camarillo and Woodland Hills.

You will ALSO find links taking you to our Guild "calendar of events," as well as to our Tixity "Community Calendar". We encourage ALL members and Satellite groups to submit their events to be posted to our Guild calendar... let's make this a dynamic "one-stop shop" for everyone! Please include all of your groups' meeting dates for the year.

The Tixity calendar link will take you to our current calendar of events that are open to and of interest to our local community. This includes events such as our regular monthly Guild meetings, as well as special Guild exhibits, like library displays, the challenge quilts at Grant House Sewing Machines from June 12th through July 3rd and our participation in the Santa Barbara Downtown Organization's 1st Thursday. You can also connect from there directly to the Tixity website homepage to see what else is going on in our community.

Our other website features are still there, too... just reorganized for easier access. Our "Links" page has been expanded and organized into "groups": Shopping, miscellaneous, retreats, blogs and podcasts, magazines and quilt shops.

Do you have a question but aren't sure who to contact? Send your question to: CQGinfo@gmail.com and it will be forwarded on to the most knowledgeable person to give you a response!

Have you written a newsletter article about something that might be of interest to those visiting our website? When you send your article to the Coast Lines Editor, also send a copy to Bonnie Barber at bnjbarber@mac.com.

Do you have a Community Guild Event to be posted to the Tixity calendar? Send it to Kathy Rose at katrose@cox.net. For you "timid" writers, Kathy has also volunteered to help write your newsletter articles... just be sure not to wait until the last minute!

ASSEMBLY:

Sew the (E-F-E-F-E) rectangles together as indicated to create the windows. Sew rectangle (B) to the bottom, sew rectangle (G) to the top to complete your window unit.

Sew the (C-D-C) rectangles together as indicated to create your door unit. Now sew the door unit to the window unit as indicated to complete your building unit. Sew the grass, rectangle (A), to the bottom of your building unit as indicated.

Now for the roof, create half-square triangle ("HST") units by drawing a diagonal line on the wrong side of both (H) squares and one (K) square. Pair squares (H-I), (I-K) and (K-H) right sides together, stitch 1/4" from only one side of diagonal line. Cut apart on drawn line, press to the dark. Trim the HST units to 3 1/2" square. Sew the HST units and square (J) as indicated to create the roof unit.

To create the bell tower and sky unit, sew the (S-T-S) rectangles together as indicated. Sew the (R) rectangles to each side of (S-T-S) unit. Now sew the (L) and (N) rectangles to each side as indicated, this is your tower base unit. Next, draw diagonal lines on the wrong side of each (P) square. Place one (P) square on the end of the (Q) rectangle, aligning the outer edges and diagonal line pointing in toward the center, sew on the line. Trim to 1/4" and press open. Repeat with next (P) square placed on opposite side of (Q) - be sure to check placement of diagonal line (it should intersect first seam). Sew (M) and (O) rectangles to each side as indicated, this is your tower peak unit. Sew the tower peak and base units together as indicated.

Complete the block as indicated. Block should measure 12 1/2" square.

Enjoy! - Naomi & Debbie

Food Bank Drive

Don't forget that we are collecting canned goods for the Food Bank here in town. If everyone brings just one can to each Guild meeting, we will be able to take over 100 cans to the Food Bank each month. It seems impossible that there are hungry people here in this beautiful town, but it's not, and there are! Please help us collect canned food each month--it's not a lot to do, and the collective results are really wonderful. Thanks!
