July Meeting: Annual Guild Potluck and Picnic

Howdy y'all! The annual new member picnic is racing toward us faster than a barn-sour horse back to the homestead! So here's the whole kit and caboodle on what's happening at the July meeting. Members who joined the guild between July 1, 2010 and June 30, 2011, will be guests of honor and treated to a mighty fine picnic provided by your fellow guild members. This year we're welcoming our new members with a Western theme. So don your finest cowboy hat, boots, chaps, spurs (!) and other western regalia and join us for a rip-roaring good time!

Dessert and beverages will be provided by the Gone to Pieces Satellite Group. Other grub will be provided by existing members, according to last name, as follows:

- A – K please bring a hearty salad *
- L – Z please bring a main dish *

*(allow for 8-10 servings)

With an estimated 40 new members, we're also looking to round up a few new member buddies or "side-kicks," who'd be willing to show the ropes to new members if needed. Please contact Patti Six to volunteer.

Don't forget to label your serving dishes. Plates and eating utensils will be provided. The shindig starts at 5:30 and is held outside. Susan Carty will entertain us with her rousing new member name game. Show and tell and a short business meeting to follow.

— *Gone to Pieces Satellite Group*

NOTE: The annual guild book sale will not be taking place in July. The new date will be announced as soon as it is rescheduled.

Membership Renewal Reminder

Last call for renewals. The deadline for receiving membership renewals is August 1, 2011, so that the Membership Committee members can get everything together to publish our annual Membership Directory and Handbook and have it ready for you to pick up at the September meeting.

The renewal form was included in your newsletter in May and can be downloaded from our website. We will also have forms at the greeting table at the July meeting. Don't get left out!

Help still needed!

ALERT!!! There have been countless aftershocks since the Christchurch, New Zealand earthquake in February, but the two recent big ones on June 13 have been devastating and very demoralizing for the residents. If you have not already done so, please consider making a lap or crib-sized quilt to send in the shipment that is going out at the end of August. Ranell Hansen (684-7042), Suzanne Zanesco (967-4005) and Tone Steiro (682-2152) are accepting submissions in my absence. Thanks.

— *Isabel Downs*

Community Quilts

Community Projects continues its dual mission: focusing our love of quilting on charitable organizations while supporting our guild's non-profit status.

We will supply kits of various sizes and complexity to inspire you. If you offer us a Block of the Month winning or suitable UFO we'll incorporate them into kits. If you plan to donate an appropriate finished UFO or Block of the Month top we'll supply batting and backing.

Our challenge is to stimulate your participation so that we'll conclude with another spectacular year reaching out to others. Soon we'll announce the charity and have a nice selection of kits on the Community Quilt table for you to sign out.

Quilts continue to be, as in the past, an expression of love. Your gift of time and talent will lift the spirits of many.

From the President's Desk

July 1st marks the end of this fiscal year and the beginning of a new one. It also marks the change in officers and committee chairs. I would like to take this time to acknowledge and thank the wonderful ladies that have served our guild in the last year. The first six months of the year required a time and energy commitment from the board that exceeded normal expectations. They had to assume the responsibilities of the vacant president position as well as do the jobs they were elected to do. They all did an amazing job and made my transition into the president position easy and painless. As a newbie in the guild, I was a bit apprehensive about assuming the job of president, but the board has been supportive, enthusiastic, and helpful as I find my way. Despite a few missteps along the way, I have thoroughly enjoyed my first six months on the job. The new year promises to bring more challenges and fun.

We will be acknowledging our outgoing board members at the Annual New Members Picnic on July 14, but I want to recognize them here as well. Thank you to Patty Six for her amazing job as workshop coordinator. Her presence at the workshops was always pleasant, enthusiastic, and helpful. I know each of the participants along with the instructors appreciated her hard work. And thank you to her assistant, Barb Postma as well.

Thank you to Priscilla Jacobs for the thankless job of Recording Secretary. Taking notes in a group as chatty as our board is a challenge and I appreciate your efforts.

Thank you to Ky Easton and Sue Kadner in their position as co-treasurers. You both did a great job in keeping our finances on track. And I appreciated your support and encouragement as I found my way in my new job.

Thank you to Kathy Rose as our Public Relations person. This position was a new one to the board when Kathy took it on two years ago and she did a great job. She has contributed articles and information to both the newsletter and the website, which we all appreciate, and provided press releases when appropriate. We have asked her to continue to contribute articles as the Rambling Rose when she is able.

Thank you to Becky Gallup as our Membership Chair. Although she will continue to work with Jean on the Membership committee, I wanted to acknowledge her hard work and dedication to the guild in her role the last two years.

Thank you to Yolanda Garcia and Louise Salgado as our Community Projects chairs. Their hard work and enthusiasm for their projects has been unbelievable and so appreciated by all of us in the guild and the community who have benefited from their oversight of this committee.

Thank you to Darilyn Kisch, Cathe Hedrick, and Kathy Drain as co-chairs of Block of the Month. The participation in the scrappy blocks has been amazing this year and their efforts are very much appreciated.

Thank you to Carol Hart and the Sew-it-Alls for organizing and hosting our Challenge. All Creatures Great and Small was a fabulous topic and the creativity and artistry of our guild members showcased in the challenge was amazing.

And while I'm acknowledging and thanking people...I want to thank all of the board members and committee chairs that are continuing in their positions for another year. The guild is blessed to have the commitment, enthusiasm, and willingness of this great group of ladies. I appreciate every one of you.

One of the biggest challenges as a member of a group of this size is getting to know people. One of the best ways to make friends is to jump in with both feet by volunteering for a committee or joining a satellite group. (Or you could volunteer to be president next year when my term is up!) We are going to make a special effort this year to make all of you feel more welcome at our guild meetings. I hope we are successful in our efforts and make all of you feel welcome and valued as a guild member.

Quilt 'til you wilt,
Irelle

AUGUST

Live and Silent Auction. Great auction items and look for surprises. Start cleaning out your closets and sewing rooms and we will take tools, sewing machines, quilts, fabric, buttons, batting, just about anything of a quilting nature!!! We are also looking for ribbon to tie our bundles of cloth with, and we are looking for plastic zip bags that you received your latest new sheets, pillow case or comforter in, as we use those to package items in as well. We will accept auction items at our regular guild meetings through the July guild meeting!

We are open for donations from estates. In the past folks have donated the contents of their studios, and we will provide the heirs with receipts for tax purposes. This is true for anyone donating; we are happy to provide you with a receipt for your taxes. Please sort before you donate and do not bring things that really need to go to the trash; we really appreciate that, as we always have a lot of work to do to make sure things are saleable. If you have things that are too large to transport to a guild meeting or have questions, please contact Cathe Hedrick at a meeting, call her cell phone at 805-705-5523 to arrange for a pick up or email her at chedrick@housing.ucsb.edu.

A Retrospective Look at CQG Public Relations

In 2009, under the leadership of Darilyn Kisch, one of the challenges facing the board was how to revitalize our guild's ability to carry out our mission statement: "to educate our members about the history and preservation of the art form of quilt-making and related topics, to learn new techniques, improve skills and to inform the community-at-large about our rich quilt-making heritage."

Through a brainstorming session between Darilyn, Jean MacMillan, Betty Kelley and Kathy Rose, the consensus was a need for a dedicated person to serve as a liaison not only with the media, but with the general membership as well. In addition, it was decided that a new infusion of interesting and more relevant articles in our newsletter would help that process. But how and where should we start?

The initial goal in the creation of a new "public relations" position, to be responsible for communicating with the media, included the establishment of some "press-ready" statements suitable for media release and use. These features came together, with technical assistance from Bonnie Barber, in the creation of the Media page, now found on our guild's website:

- **About Us** – What the guild is all about and what its mission statement is.
- **History of the guild** – When the guild was established and what it has accomplished
- **New Releases** – Press releases regarding special projects and events, written by the public relations or other designated person.
- **Press Clippings** – A collection of press clippings; this would secondarily assist in chronicling the guild's history, thereby eliminating the previous historian position.
- **Public Recognition** – A collection of the guild's public recognition, currently chronicling the 20th-anniversary celebration in 2008

Considerable time, thoughtful consideration, and effort were put forth by all those involved to accomplish the stated goals reached by a consensus of opinion and agreement. Not only have these goals been realized, as evidenced by our Media page, but many additional articles were published in Coast Lines between January 2009 and June 2011, bringing relevant news items to you along with countless calendar items of related events in our local community. With Bonnie's expertise, we have also established a growing Gallery page of photographs on our website to further record our continuing history.

From its initial concept, the public relations position was never envisioned as a static board post, but rather one that would continue to evolve over time as the guild's needs and expectations grew. It is our hope that this work will continue through a network of guild members volunteering to bring programs and showings to groups and organizations within our local community. The foundation for those efforts has been established with information about our Community Outreach Programs, now available on the Contact Us page of the guild's website. There is much more to be done in furthering our mission statement.

As the guild's first public relations representative, it has been my pleasure to serve on the board in this founding capacity, and I have no doubt that my successor, Leslie Dodge, will continue in the tradition you have come to expect thus far.

— **Kathy Rose, Public Relations (August 2009 through June 2011)**

In Memoriam

Barbara Ortiz was a Coastal Quilt Guild member for a long period of time before she moved to Chester, CA, five years ago. Some of you may remember her from Nora McMeeking's Cosmai quilt class. She made a beautiful quilt and an exact replica in a tiny, smaller than miniature, size. She was an active participant in our challenges, shows and classes as well as the major force behind the School House quilt history group that held their meetings at Quilt Ventura. Creative, talented, thoughtful, an excellent quilter and teacher, she unfortunately suffered a major stroke on Monday, June 6 and passed away on June 9.

She and I attended PIQF in Santa Clara and Road to California in Ontario every year. We traveled to Japan, Houston, Paducah, and Asilomar, always rooming together and sharing our personal critiques of every quilt. She was a truly special person and my dearest friend. Knowing her and sharing our friendship is a gift I will forever cherish. She will be missed by many.

— **Pat Masterson**

The guild has lost one of its most faithful members. **Erma Sheaha** passed away on June 12 from a stroke. Only four days before she was showing her silk-tie quilt at our June meeting. Erma loved to show her work at "Show and Tell, and she contributed generously to the treasure table. She also participated in the Quilt Show Boutique for many years. Erma was 91, an age that brings many aches and pains, but she never let them get in her way. She knew sadness and joy in life and enjoyed "doing" for the people in her life all her days. Erma looked for the good in all situations and all people. She was a wonderful example of a life well lived. Those who called her "friend" will miss her greatly.

Our bus trip to the Long Beach Show on Saturday, July 30 is almost sold out, so if you are thinking of joining us for the day, please call me. Bottled water and snacks will be provided on the bus. Darilyn and her committee will again have some fun games and prizes to entertain us.

Block of the Month

KEEP IT SCRAPPY: ROAD TO OKLAHOMA

The second "Keep It Scrappy" block is a very simple one composed of only squares and half square triangles.

FABRIC:

Background: Background: You will need a variety of whites.

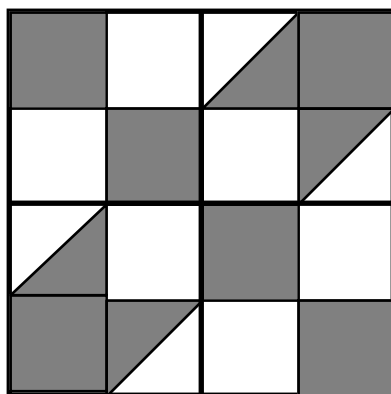

Scraps: You will need 10 different scraps of dark fabric.

CUTTING:

- From background fabric: Cut 6 squares 3 1/2" and cut 4 squares 3 7/8"
- From scraps: Cut 6 squares 3 1/2" and 4 squares 3 7/8"

ASSEMBLY:

- Draw a diagonal line on the wrong side of the 3 7/8" background squares.
- Match these 4 background squares with the 4 - 3 7/8" scrap squares right sides together.
- Stitch 1/4" from both sides of the diagonal line. Cut apart on the diagonal line. Press and trim to 3 1/2".
- Lay out the squares as shown in the diagram and piece together to form the block. The block should be 12 1/2" square.

Following this method, you should have 4 extra half square triangles. You can either save them for a later block of the month OR you can cut more 3 1/2" squares so that you can make two blocks. *(Remember winner takes all!)*

If you have any questions or problems, please ask us.

- Knotty Threads

Carol Hart, Kika Hutchings & Carolyn Rory

This Year's Keep It Scrappy Rules

1. The background fabrics will either be white or perhaps a combination of white and cream.
2. As last year, the scrap fabrics within each block must be different. If the pattern calls for 8 dark or medium pieces, you should use 8 different dark or medium scraps.
