## June Meeting: Ice Cream Social and Book Sale

This year the July New Members' Welcome meeting has a different format. Instead of a potluck dinner we will have an Ice Cream Social and Guild Fundraiser. Knotty Threads, the satellite group hosting refreshments, will serve a selection of frozen treats provided by the guild. \*New members, when you sign in, please be sure to pick up something waiting for you at the membership table. \*All members after signing in, delivering your Block of the Month, etc., come by the kitchen to choose a frozen treat. Serving begins at 6:30. This is a good time to seek out and welcome our new members.

Then it's time to start shopping! Check out the tables of inventory offered for sale by the Library and Community Quilts committees.

At 7 p.m., as usual, we will have a brief business meeting with committee reports, concluding with Show & Tell. We will not have a Treasure Table or guest speaker at the July meeting. The last hour of the meeting will give you more time to shop and socialize.

To help generate income for the guild's general fund, the Library and Community Quilts committees are introducing ongoing monthly inventory sales with selections from our surplus. July's Fundraiser is our big initial effort! Please come eager to browse and eager to purchase. Be open-minded, realizing our inventory has been built up over the years from donations from members and friends. With new books and fabric retail prices on the rise you will find some real bargains.

### Library

Donations to the library over the past few years have been very generous. We have a backlog of great books; many look as if they have been hardly used. This is a great opportunity for you to pick up that book you have always been wanting, but has been a bit pricey. At the guild book sale you will find just the thing you are looking for at a very reasonable price. Come prepared to support your guild as well as reward yourself with new reading material.

### Community Quilts

Community Quilts always welcomes donations but we have limited storage space. We will have pre-cut lengths of fabric, kits and patterns for sale. Community Quilts will also receive finished projects and sign out new kits.

It's a good idea to bring your own shopping bag for your purchases. Cash in smaller denominations will be appreciated so we can more easily accommodate you when making change. Checks will be accepted. Be sure to wear your name badge. What a great way to spend an evening. Come, have an ice cream, select some reference books and fabric for future projects while making new acquaintances and supporting the guild. We look forward to seeing you in July.

## Last Membership Reminder

Our deadline to publish the Guild Membership Directory and Handbook is August 1. Forms will be available at the front table at the July Ice Cream Social and online at [www.coastalquilters.org/ourguild.html](http://www.coastalquilters.org/ourguild.html). We can also mail or email one to you if you contact Jean Faison at [foxyfaison@verizon.net](mailto:foxyfaison@verizon.net) or call 569-1948. If we do not receive your form and check by the 1st, your information will not be included in the directory. All of our members and their support is important to the guild, and we don't want to leave anyone out. Thanks to those who have already renewed.

— Membership Committee

## From the President's Desk

It's summer, and I'm vacationing at the beach. As I walk on the beach, I'm relaxed, but I'm also thinking about the quilting projects I want to work on. As quilters, we always have a myriad of ideas. Now is an opportune time to pick one of them and finish it for the upcoming Quilt Show in September.

It's easy to get stuck making design decisions or worrying about whether this quilt will be "good enough." Get "un-stuck" — get encouragement and assistance from your fellow quilters, and "press on." You can finish it! I'd like to see all members represented in the show.

I'm thinking about the quilt I want to finish for the show, and I'm working on it despite all the busyness. This is a great opportunity to display your work in a public setting! Be proud of what you do!

I thank you for the privilege of serving as your president and I'm looking forward to a wonderful year.

— **Carol Fay**

## Community Quilts

Can you believe it? Christmas in July! That's the theme of the Ice Cream Social planned for the July meeting. We've been paring down the stash of Community Quilts, and there will be yards and yards of fabric, patterns, panels, and kits available for purchase, all at incredibly low prices. (Especially when you consider the prices at retail these days!) We'll also be distributing kits and accepting finished items for our charities. The library will also be selling books at great prices. So come armed with lots of small bills or checks to take advantage of this opportunity. We look forward to seeing you there!

— **The CCQ: Edalee Keehn, Carol Hart, Nancy Miller, and Barbara MacCallum**

## The Most Popular Quilting Websites

There is a website for everything under the sun, including one that lists websites in a particular area by popularity ranking (toplisted.net). And yes, they have a URL (<http://quilting.toplisted.net/>) that lists the 50 most popular quilting sites. Here are the first six sites listed.

### Nifty Fifty Quilters of America

Fifty state quilt block swaps with themes that have included Amish, Redwork, 1930 Re-production, Civil War, Sunbonnet Sue and 50 State Flowers. Their quilters make charity quilts for breast cancer awareness.

### Quilts SB

This blog by Tampa-based Andy Brunhammer and Jim Smith shows their quilt work and creations. The duo began quilting a few years ago and now try to spend as much time as possible working with designs, fabrics, our machines, and thread. They try to create, design, borrow, and beg our ideas from the past, the present, from those artists much more experienced, and at times from that which takes their fancy.

Here you can learn to quilt the fun and easy way with 100s of free ideas and thousands of photos on learning how to make all kinds of quilts: raggedy quilts, memory quilts and more.

## Future Programs

### AUGUST

#### Mary Mashuta and Roberta Horton:

**Double Trouble**—Mary joins her sister Roberta Horton for this special lecture. They share a love of quilt-making, fabric and color. They also share common genes. Their shared visions are filtered through different minds and expressed by different hands. Hear how the sisters share a home (with two studios, of course) and manage to produce quilts that express their own perspective and talent.

[www.MaryMashuta.com](http://www.MaryMashuta.com)

[www.RobertaHorton.com](http://www.RobertaHorton.com)

#### August 10 Workshop with Mary Mashuta **Foolproof Machine Quilting: The Fun Stuff**

Be more creative with the walking foot than just stitching in the ditch. Create your own designs for blocks and borders by paper folding simple shapes. Use Mary's no-marking method to stitch your designs with heavy threads on top of the machine. Add decorative stitching.

### SEPTEMBER

#### Alicia Campbell: Quilt Batting Lecture

#### NO WORKSHOP

#### Harvest of Colors Quilt Show

### OCTOBER

**Anelie Belden: Dresden Dance** Stroll along memory Lane and see the life of the Dresden Plate Design. Learn about its beginning, the variety of designs it has had, and venture into the future with a trunk show of Thoroughly Modern Dresden designs by Anelie Belden.

#### October 12 Workshop: **Thoroughly Modern Dresden**

Forget everything you thought you knew about Dresden Plate quilts. The new Dresdens are colorful, clever and fun, nothing stodgy or old-fashioned here! They're easy to make too, with Anelie's new stitch-and-flip technique. Try this fresh take on an old favorite.

## Quilt Show News

Summer is the time for moving ahead full force with our Quilt Show plans – and everything is going well. We hope you are all preparing your quilts and telling your friends about our upcoming show. Word-of-mouth is our very best advertising. Please remember that the deadline for submitting your entry forms and photos is August 9, the date of our August Guild meeting.

### Photos

This year we will not be able to offer the service of photographing and printing your quilt photo for your show entry form. We realize that this may cause a problem for some of our members. If you are unable to photograph your quilt, please contact Julie Mock or Kate Lima to make special arrangements. To assist you in photographing your own quilt, we will make the back room (off the kitchen) available for your use before the July meeting. We will have a quilt stand available to hang quilts and will recruit some volunteers to help with holding quilts. Please plan to arrive as early as 4:30 to begin and bring your own camera. You need to be finished before the general meeting begins at 7 (and remember that the ice cream social begins at 6).

The photo of your quilt needs to show the entire quilt and the colors need to accurately represent your quilt. If the photo does not meet the necessary requirements, you may be asked to retake your photo. Having high-quality photos is imperative for laying out the show in an attractive, cohesive manner. We have also decided not to create a DVD of our show and will instead put the photos of our show on the website as soon after the show as possible. A photographer is needed to take photos of the quilts and coordinate with our webmaster, Bonnie Barber, to get them on the website. Please let me know if you can perform this task or if you know someone who can.

### Tickets

Remember that we are pre-selling tickets for \$8.00; they will be \$10.00 at the door. Liz Turner will be at the next few Guild meetings selling tickets, with the September meeting being the last opportunity to buy advance tickets. In order to encourage youth in our community, we will not be charging for ages 18 and under! So bring your daughters and granddaughters, sons and grandsons! Also remember that you can earn your ticket by volunteering to help with the show. However, as this is a major fund-raiser for the Guild, and allows us to have wonderful speakers and workshops, we hope that you will consider buying your ticket, even if volunteering. And please remember to sell tickets to your friends, relatives, co-workers, neighbors and anyone else you can think of.

### Volunteers

Cathe Hedrick will have the volunteer sign-up folders available at guild meetings and there are plenty of spaces left to fill. There are also opportunities to help that are not included on the sign-up folders. In particular, we need help with our “blanket the town” displays. We are currently scheduled to have a display case at the Goleta Library and SB Central Library for the month of September. Shirley Morrison has volunteered to head up this team. I know we have creative individuals (or groups) who will be willing to help her with this display. Please contact Shirley or me if you can help with this job. We will also have a display in the children’s area of the Downtown Library. We need to borrow about 7-8 small quilts to hang in the area, preferably quilts that are child- or story-related.

### Boutique

Our boutique promises to have a lot of variety with 15 individuals signing up (so far) to sell their products and four satellite groups making items for the guild to sell. The *Loose Threads* are making baked potato bags, as well as a couple of other items. *Gone to Pieces* members are making pincushions. The *Sewphisticates* are making fabric necklaces, and *The Sew What’s* are making shopping bags. Satellite groups should deliver their items to Marilyn Osgood as soon as they are ready but no later than the September guild meeting. Look for more news on the boutique in this newsletter.

### Satellite Groups

The response to our call for satellite group projects has been overwhelming! We are happy to be able to add this feature to our 2012 show. Some of the entries are quilts made with blocks made from various members. Some are several mini-quilts making up a large, cohesive display. We also have some that have made individual quilts based on a theme. Because of the number and size of the entries and limited space, we may have to make some last-minute decisions about how many entries can be submitted by each satellite group. The idea is that each satellite group’s quilts should only take up the space of one wall of a “booth” or less. We will do our best to fit everything into the space allotted. Remember that you also have the option to enter these quilts as one of your entries and ask that they be hung together.

### Sponsors

By now, you will have received a copy of our sponsor letter and forms by email (if you do not have email, please contact me for a printed copy). We would like to encourage businesses to help sponsor our show. Please consider whether you or your business can help in this manner. If you know of a business that might be interested, please print this letter and documents and present it to them on our behalf. To expedite the process, I will accept an email confirmation of intent to sponsor, followed by the completed form. Payment will be due by September 1.

Happy quilting,

— *Karen Pickford, 2012 Quilt Show Chairperson*
