

Coastal Quilters Guild of Santa Barbara & Goleta, California

## Days for Girls Workshop

Members of the Coastal Quilters Guild and the Modern Quilt Guild met on Saturday, March 11th to stitch up postpartum feminine hygiene kits. This was a collaborative effort organized by Days for Girls ([www.daysforgirls.org](http://www.daysforgirls.org)) and Direct Relief ([www.directrelief.org](http://www.directrelief.org)). From Direct Relief, Julie Aguiniga, Controller, directed our efforts. Paulina Ospina, Senior Program Manager, gave a slide presentation. Paulina informed us that kits will go to women in Nepal and Uganda who have had fistula repair surgery.

At the end of the workshop, members took home unfinished items to continue work during the week. We met again on Saturday, March 18th to celebrate National Quilting Day and to also complete this part of the project. A very successful week of work! We completed 1475 liners, 114 shields and several drawstring bags.

A "Kit Event" is scheduled for **Friday, April 28th** at 10:30 at Direct Relief headquarters. Volunteers will meet to assemble and box all the components for shipment. If you would like to help, please contact Irelle Beatie.

Donations of cotton flannel fabric for the liners (minimum 8" x 12-1/2") and light to mid weight cotton fabric for the drawstring bags (minimum 13" x 31") are appreciated. Fabric motif is specific. Florals and geometrics are good. No bugs, insects, animals, glam, camouflage or cultural specific motifs. Please contact Marty Frolli if you have donations.

We will be announcing another Days for Girls workshop in the future and hope that you can join us for this very important effort.

Invite your friends and family to see the results of this year's challenge at our April 13 meeting!

## President's Letter

Spring brings new growth, rebirth and the expectations of wonderful things to happen. Finding the time to try a new quilting gadget, experimenting with a never tried quilting block, sketching a new quilt design or just changing the environment in which you quilt (i.e., taking hand work outside, quilting with friends) all sound like fun.

For me spring gives me fresh hope that my quilting friends (Coastal Quilters) will step forward and help me with a few job openings or plan our picnic with Ginny Lawliss or even our Next Christmas party. What do you think? Can you help me make this guild successful in the coming months?

**Linda Boynton De Sepulveda**

## Refreshments

# Coastal Quilters Participate in VNHC Celebrations Honoring Veterans

Visiting Nurse & Hospice Care celebrated their "We Honor Veterans" program on March 14, 2017 with a wonderful program attended by local dignitaries and their representatives. VNHC joined the "We Honor Veterans" program in 2012 and has "earned their stars" to recently reach the highest level of service to veterans. VNHC is the only hospice organization in the tri-counties area to do so.

Half of all men dying today are veterans; 1 in every 4 people who die is a veteran as World War II-era veterans reach the end of their lives and come into hospice care. Hospices are also seeing veterans from the Korean and Vietnam war eras. As veterans came to hospice care in increasing numbers, it became clear that their needs were different from the general population and the "We Honor Veterans" program was launched in 2010. An awareness campaign focused on providing veteran-centered care, the program was developed by the National Hospice & Palliative Care Organization in collaboration with the Department of Veterans Affairs.

The most visible part of the "We Honor Veterans" program is the Vet-to-Vet Volunteer program where veterans who are also trained hospice volunteers create a special relationship with each veteran patient, bonding over shared experiences of serving the country and creating an environment where life review and healing can occur. The Veteran Volunteer conducts the Pinning Ceremony, where the veteran is honored and thanked for their service to the country. The veteran's family is also honored, because wives and children serve right alongside the veterans, enduring the many transfers and absences that being in the military entails. The ceremony provides a chance for the veteran to reminisce about their time in the military and families learn many things about their loved one that they never knew before.

Unique to the ceremony in Santa Barbara is that, along with the flag pin, the veteran is presented with a flag-colored quilt. While the veteran lives, the quilt provides comfort, warmth and an on-going reminder of the way we honor and thank them for

their service. After the veteran passes, the quilt becomes a cherished family heirloom, continuing to offer comfort and warmth as only quilts can.

Visiting Nurse and Hospice Care has been a frequent recipient of Coastal Quilters Guild's donated quilts. In November of 2014, I went along on a quilt delivery as a member of the Community Quilts Committee. Among the quilts were three red, white and blue ones, and Arlene Stepputat, Director of Volunteer Services at VNHC, told us about the pinning ceremonies and how much these particular quilts meant.

When Arlene learned that I am a veteran, she dropped to one knee beside my chair and performed an impromptu pinning. I was so deeply and unexpectedly moved that I went home inspired to make red, white and blue quilts. In January, 2015, I appealed to the Guild to join me – and you did! Thus the "Sew for Veterans" project was born.

Our goal for "Sew for Veterans" was to produce 75 quilts by Veterans Day. We held three workshops and were featured in a News-Press article November 10, 2015. We far exceeded our goal: we donated 93 quilts to VNHC by our deadline. More quilts came after the deadline, and some of our members have continued to make red, white and blue quilts ever since. We delivered six more on the day of VNHC's celebration. In all, we have donated 119 quilts since the the "Sew for Veterans" project was initiated. The very first quilt of the project, made by Diana Iler, was presented to Don Jones, the husband of Coastal Quilters Guild member Marian Jones.

For the celebration program, VNHC ran a slide show of veterans with their quilts, and members Ilona Varner (also a VNHC nurse), Diana Iler and Carole Kennedy joined me in parading a dozen of our quilts. Visiting Nurse & Hospice Care appreciates our partnership in providing this meaningful contribution to "We Honor Veterans".

Thank you so much for your participation in the "Sew for Veterans" project – our work reaches farther than we can ever imagine.

## Churn Dash 12" Block

May 2017  
Coastal Quilters Guild  
Block of the Month

May is a time for planting in the garden, putting up jams and jellies and just enjoying the outdoors.  
Stitch up this Churn Dash in prints of sunshine and blue skies.

### Cutting

White or white on white print:

Cut one 4-1/2" square.

Cut two 5-1/4" squares.

Cut 4 (2-1/2" x 4-1/2") rectangles.

Yellow:

Cut 4 (2-1/2" x 4-1/2") rectangles.

Medium Blue:

Cut two 5-1/4" squares.

### Assembly

1. Draw a line corner to corner on the two 5-1/4" white squares. This is the cutting line.

Draw a line 1/4" from the cutting line and on each side of the cutting line. These are the sewing lines.

2. Pin white squares and 5-1/4" blue squares right sides together. Stitch on the two sewing lines.

Cut on the cutting line. Press seam to the dark. Trim units to 4-1/2".

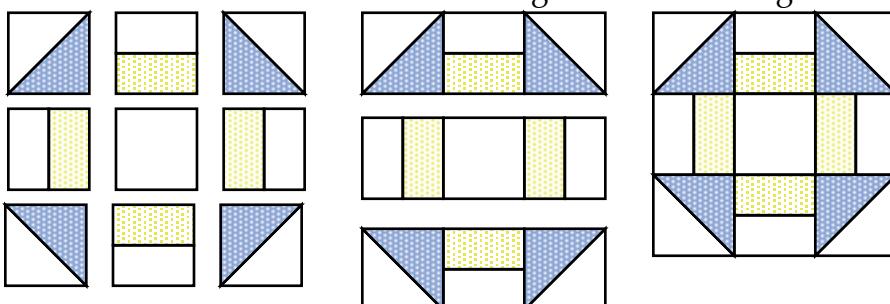

Use a Bloc Loc ruler if you have one.

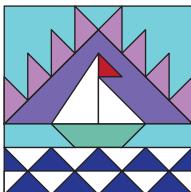

3. Sew the white rectangles to a yellow rectangle. Press seam toward the yellow.

4. Arrange the triangle units, the rectangle units and the white square to make the Churn Dash block. Sew into rows. Press seams toward rectangles. Sew rows together. Block should measure 12-1/2".

Bring your block to the May CQG meeting.
