Upcoming Speakers

Lacking Sense and Sensibility: The Adventure of Writing *Jane Austen Quilts Inspired by Her Novels*

Karen Gloeggler, our speaker for September, worked for over thirty years in fashion-related fields. She loves quilting and began quite an adventure when she searched for inspiration to design a quilt for her niece and accidentally discovered that novelist Jane Austen was a quilter. What followed was an adventure that took her to Jane Austen's House Museum in England to see Austen's only quilt in person. In 1811, the novelist wrote that she spent entirely too much money on fabric! Every quilter can relate to that! Karen recreated Jane's quilt and then created a quilt design for each of Jane's six published novels, on which her book is based. Don't miss this dynamic quilter as she gives us her humorous account of publishing that book and shares her quilting journey.

Karen will also lead a workshop on September 15th, teaching the technique for making the quilt, "Moondance." Students will take a

radiant 42" fabric panel, cut it into 16 squares, piece it in quarter-circles, and sew it back together, while maintaining the essence of the fabric panel. It's contemporary, it's fun, and it makes for one dynamic quilt!

And . . . mark your calendars for the October workshop, which will be an "Open Sew" day at Goleta Community Center.

President's Message

Short but Sweet

Saying goodbye to summer is never easy. Who doesn't like bright blue skies, gleaming ocean waves, sounds of laughter and music, and the smell of a bar-b-que? Of course, here in our magical town those things can continue clear into late fall. But, summer has to come to an end. Kids are back in school. Fall is fast approaching. What is your next quilt project?

Perhaps you don't have a new idea. Where do you go? Why not try a quilt class and open your eyes to new possibilities? New techniques can give old favorites a fresh look. Who knows, you may even have a wonderful time laughing with friends, reminiscing about summer activities, and sharing quilting thoughts.

Karen Gloeggler is our guest speaker at the September general meeting and her Moondance class is just \$40 for an all-day class (compared to \$80-\$100 at big shows). Imagine, you can walk away with a new technique for a traditional panel.

Library News

Please Return Books: Inventory in Progress

Our library has a broad, appealing selection of nearly 700 items that we want to have available to share with everyone. Materials are lent out for 1 month, but quite a number of books/DVD's are overdue. We understand that other commitments sometimes cause members to miss guild meetings and thus prevent them from timely returning library materials. If you still need an item for reference, please bring it in to renew it.

Now, our committee needs your help to complete our library inventory and update the database. Prior to September's guild meeting, please check your quilting bookshelves/storage/work spaces for mislaid library items which may have been forgotten or happen to reside among some UFOs.

Also, recall the Challenge Committee's suggestion to use this year's Challenge as an opportunity to try out a new technique. For example, I myself checked out a book with a style much more modern than my conservative tendency.

Happy reading, happy quilting.

Carol Hart, *Librarian*

Fidget Quilts Appreciation

For the past few months, many of our members made fidget quilts for dementia patients at the Friendship Center. Luciana Mitzkun, Director of Family Services for the Friendship Center, put together a YouTube video talking about the quilts with pictures.

Membership

Our new year at the Quilt Guild has begun. It is too late to get your name in the Guild Directory

. . . but it is not too late to renew your membership. Don't miss out on the Newsletter and all the great Programs that the Guild has planned for you this coming year. Renewal forms are available on the website [here](#), or you can get one from me at the Membership table at the next meeting. I am looking forward to seeing all of you at the next meeting.

Opportunity Quilt Opportunities

Here we are in September: Have you picked up your raffle tickets for our beautiful 2017 Opportunity Quilt, **Lantern Festival**? If not, it is time to do so. Each member will be provided with 24 raffle tickets to purchase or sell. The cost is \$1 each or 6 for \$5.00. As part of your membership in the Guild, we ask each of you to take on the responsibility to sell these tickets (and maybe even more). The drawing will be held at the Guild Meeting on December 14, 2017; the winner need not be present.

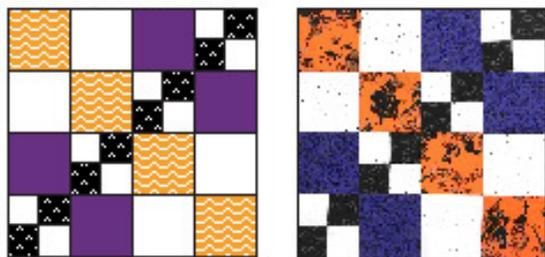

How often have your friends asked you to buy cookies, wrapping paper, or magazines for their family members? Now is the time to ask them to reciprocate on your generosity! Going out to lunch with a friend? Pull out your phone and show them the picture on the [Opportunity Quilt tab](#) and, when they say "wow", ask if they'd like to take a chance to win it. There are many opportunities to sell these tickets in your daily life.

If you have not been attending meetings and would like your batch of tickets, please contact Sue Kadner at sgkadner@yahoo.com and arrangements will be made to get them to you. Looking forward to hearing from you.
