My quilting journey...
so far!

I have very cute 'helpers' these days...

Polaroids for Emil
December 2015

Inside Addition, 2018

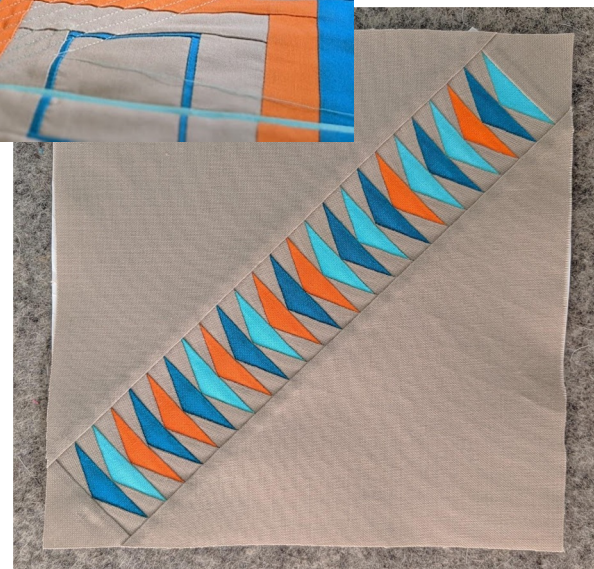

Blocks sewn by Do Good Stitches: Grace Circle

Travelling Pineapple, October 2019

Quilt for Irelle, January 2020
Blocks made by SBMQG

A Chicken, by a Bee

Quilts are definitely NOT the only things I sew...

I also make Hallowe'en costumes!

I've made a lot of pillows (there are plenty more!)

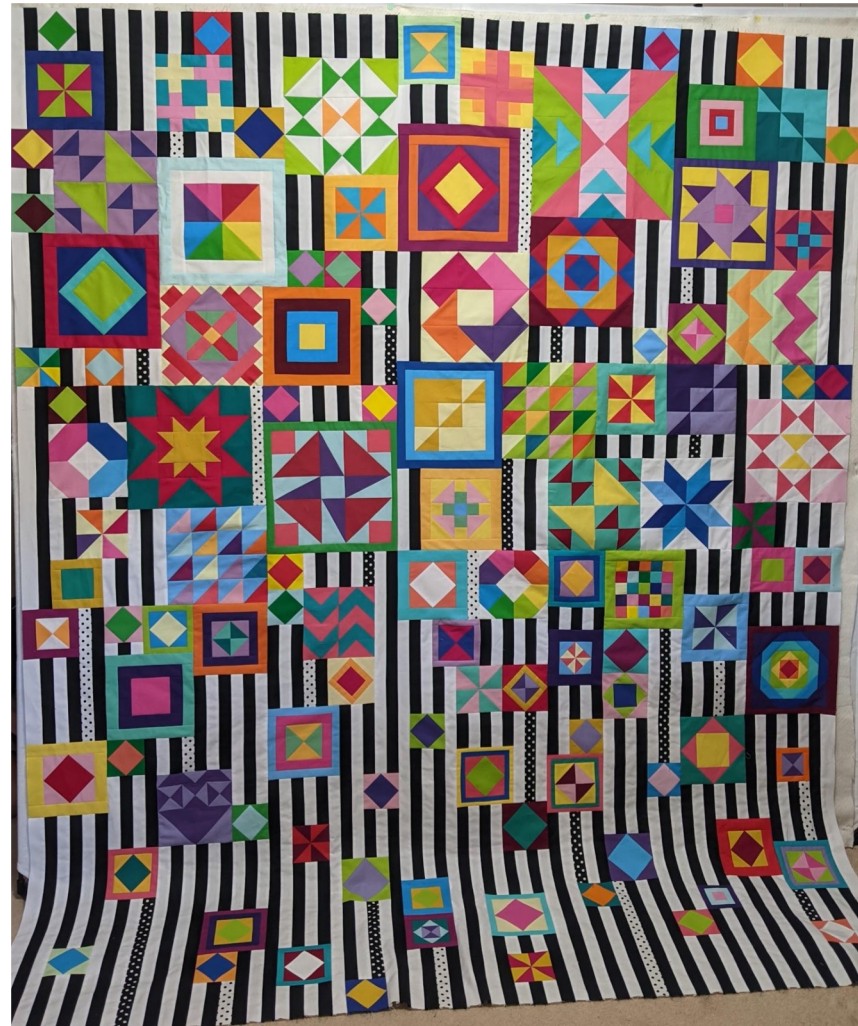

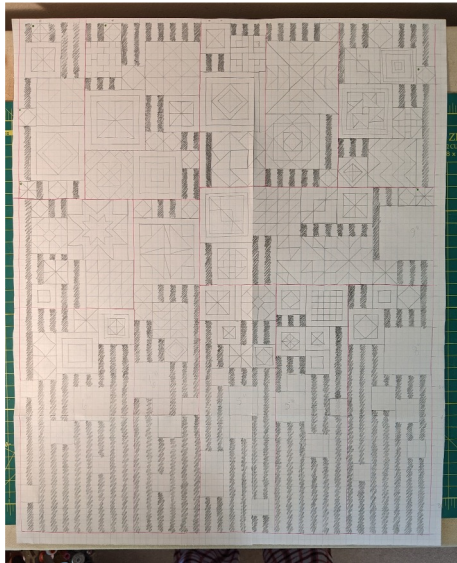

I even started teaching the town's children to make pillows!

I have no idea where this journey goes next, but I am quite sure it'll be tons of fun!
